

Refinement Plan

Terrebonne

Crooked River Ranch Community Meeting

February 6, 2019

Thank you for participating in tonight's meeting to discuss potential changes to U.S. 97 at Lower Bridge Way. Your feedback will be considered by ODOT and the project management team in finalizing the recommended refinement plan. The final recommended plan will be reviewed by the Deschutes County Planning Commission and the Oregon Transportation Committee (OTC).

Following tonight's presentation, do you have any remaining questions or comments about how the Couplet alternative will function?

Do you have any remaining questions or comments about access from Lower Bridge Way to U.S. 97 Northbound?

Is there anything else the team should consider to make the Couplet alternative successful?
