# TRANSIT

WHAT DO YOU THINK ROGUE VALLEY  
TRANSIT'S FUTURE SHOULD LOOK LIKE?

RVTD is currently developing a 2040 Transit Master Plan which will identify needs for underserved neighborhoods, more convenient express service, weekend service and new routes. The Plan will identify near, mid, and long-term bus service. You have the opportunity to help the RVTD project team plan our community's transit service!

## COMMUNITY OPEN HOUSE

Join us on Tuesday, January 22nd at the Downtown Medford Public Library between 4-6pm. Share your voice and help plan the future of transit in the Rogue Valley. Come learn about the project, discuss the community's vision for transit, and weigh in on RVTD's future service enhancements.

## CAN'T MAKE IT IN PERSON?

From January 19th through February 4th, a virtual open house will be available online for anyone who wants to provide input. Visit [www.rvtd2040transitplan.com](http://www.rvtd2040transitplan.com) for more information and read materials the project team has developed so far.
