General Discussion:

- Parking

 - Include a review of parking code in development code
- ADA Facilities
 - Do we know which ADA facilities are being replaced by ODOT?
 - Compare list of ADA projects for Waldport with projects in the draft TSP.
 - See if we can piggyback other projects with new ramp projects.

Draft TSP Update:

- Pedestrian Plan
 - Crestline should be a higher priority – Cedar to school (P10/P11)
 - SW from Cedar to Range, shared-use path from Range to School
 - Crestline Drive is a path, not a trail
- Transit Plan
 - Remove bus stop at library
- Roadway Plan
 - Move toward collectors, not major/minor collectors
 - Include cross reference to new plan in TSP

- Parking
 - Consider allowing parking on collector streets – may want to talk about this with PC/CC
- Plan/code amendments
 - Up to city on how/when to adopt plan/code amendments
 - City will likely have separate hearing for implementing ordinances.
