

US 97: Terrebonne/Lower Bridge Way Improvements

Public Update Meeting

*Come to our meeting to hear the revised plan plans for the segment of US 97 through the Terrebonne community
June 2019*

If you live, work or shop in or near Terrebonne, you have probably noticed the growing traffic volumes along this segment of highway 97 over the past several years. Chances are you've also heard of ODOT's originally proposed plan to install a couplet that would improve the highway's safety and traffic capacity. After a recent series of community and stakeholder meetings the ODOT project team has made further enhancements to the couplet which will better meet the needs of the Terrebonne community. A meeting has been scheduled for June as an opportunity for community members to gather and hear about the new and improved plan for the Terrebonne Community.

Public Open House

Please join us at a public open house meeting;

**June 4, 2019,
